

# *Employee* **of the Quarter**

*Congratulations!*

*Sabrina Vidal*

Nominated by Wendy Paz:

"I had an emergency situation where forms needed to be completed for insurance and physicians. She sat with me at my desk and was very kind and explained it in a way I will never forget how to do this again. I greatly appreciated her help when she totally did not have to go out of her way to do this.

She is : Kind, willing to help, and promotes a healthy work environment!"

Sabrina is an Administrative Associate that supports the Neurosurgery Pediatric Division. She has been in our department since 2015. Congratulations Sabrina!
