"Shanna is always such an incredible resident advocate, is always impeccably organized, and truly personifies the familial culture of this department...She is a team player that is always looking out for others, dedicated to resident education, and couldn't be a friendlier colleague! Shanna goes above and beyond everyday for the entire neurosurgery residency. She is outstanding at her job and super accessible. She is also incredibly knowledgeable and efficient and solving any problem that any of us have. She is just so fantastic at planning and keeping track of all our schedules and needs. She always responds so quickly and effectively. I don't know what our department would do without her!"

Shanna is the Neurosurgery Residency and Fellowship Program Coordinator
